A Briefing Paper was submitted to Full Council in November 2023, following which this Sub-committee was formed.

The council identified that Lydney would benefit from a local market at Newerne Street Car Park and the role of the Sub-Committee is to provide various recommendations to council on the subject.

The Sub-Committee discussed several areas including, staffing, management of the market provision, health & safety requirements, Traders Licenses, market times (opening possibly from 7am – 2pm on Saturdays).

It was identified that additional advice would be needed, to progress the ideas discussed and membership to NABMA (the voice of markets) would be appropriate.

Cllr Harris proposed that the Lydney Market Sub-Committee recommend to Full Council to take out a membership to NABMA.

Resolved: Unanimously approved
