Chair proposed to approve adding officers Catherine Line and Louise Bendall onto Bathurst Park & Recreation Trust Lloyds Bank Accounts. Resolved: Unanimously Approved	
5.	Trustees' Reports To consider any URGENT reports from members of the Trust. • Trustee Hillier advised that a small number of stones had become dislodged from the wall between the railway track and Bathurst Park. A request was made for the grounds team to repair the wall, as it was easier to undertake this work from the park side. • Following the event over the weekend, it was noted that the car park gates were dragging along the ground and required adjustment. The grounds team will be advised. • It was noted that some of the signage and the noticeboard were looking tired and required repair or replacement. Office staff will work with the grounds team to manage this work over the winter period, when maintenance work is generally undertaken. • Complaints had been received regarding the condition of the public toilets within the park. One toilet is currently out of order and cannot be repaired as the required parts are obsolete. It was agreed that quotations be obtained for the refurbishment of the toilets for future consideration. Due to the higher number of visitors to the park during the summer months, it was requested that the grounds team undertake some basic cleaning on the days when the cleaner is not scheduled to work. The office will discuss this with the Head Grounds Person. • Following a successful competition, the newest addition to the park, Play Town, has officially been named Little Lydney. The winning entry was unveiled at the official opening on Monday 20 July and has already proved to be a popular addition to the park.	

	Trustee Saunders thanked fellow Trustees and staff for their support in delivering another successful community event. Feedback had been very positive, and the event was well attended. One comment received from a member of the public related to the lack of toilet provision. It was noted that the Trust had hired an additional five portable toilets for the event; however, this feedback would be taken into consideration when planning future events.
